

## **Narrative Statement**

### **Little Lamb Christian School variance petitions**

Debbie and Chuck Duke established Little Lamb Christian School in 1987. Located at 1609 East Greyhound Pass, the facility offers top-quality academic and spiritual education. Expanding enrollment has led us to the proposal to build two 1085 square foot additions to the north and south sides of the building. The “little blue house” has become part of our branding. We would like to keep the existing vertical vinyl siding and match the addition exterior to the existing.

We are proud of our 33 plus years of service to the Westfield and Carmel communities. We respectfully seek approval of our variance petitions from the Westfield Board of Zoning Appeals.
